

Public Works Safety Poem

~ Author Unknown

We keep it safe to travel from home to work each day.
Although some storms are difficult, our ethics never sway.

We really do get weary, as we work all through the night.
But safety is our goal, and we strive to do it right.

We strive to do the very best our budget will allow.
We try to keep the public safe, as we drive around and plow.

We are the men and women that you think get in your way.
As we do our tasks we're given, too bad you think of us that way.

We always do our best. We just wish you would admire
The long hours that go into it and the wrath that we acquire.

We are safety-minded, always on alert.
We try hard to be careful, so no one will get hurt.

We always wear our hard hats, our gloves and ear gear too.
We even have the latest in fashionable steel toed shoes.

So Please let it be known, that no matter where you be,
Come snow or high water, its Public Works you'll see.
